

CORONA VIRUS

Basic protective measures / Osnovne mjere zaštite

Wash your hands with soap and running water

Practice general hygiene measures when visiting live animal markets, wet markets or animal product markets

Avoid consumption of raw or undercooked animal products

When coughing and sneezing, cover mouth and nose with flexed elbow or tissue – discard tissue immediately into a closed bin and clean your hands.

Maintain at least 1 metre (3 feet) distance between people who are coughing, sneezing and have a fever

If you have fever, cough and difficulty breathing, seek medical care.

DO NOT GO to the waiting room of the Ambulance / Hospital, but rather contact the doctor.

CORONA VIRUS

Basic protective measures / Osnovne mjere zaštite

Ukoliko imate visoku temperaturu, kašljete i imate poteškoće u disanju – potražite medicinsku pomoć.

NE ODLAZITE u čekaonice u Ambulantu/Bolnicu, već prvo kontaktirajte doktora.
