

Finding accommodation in Zagreb.

So, your Erasmus in Zagreb has just been approved and now you're thinking: *I should find a place to stay*. There are several ways to find accommodation in Zagreb, for example through Facebook groups, university housing options, or other rental websites, but this is the method I personally used.

I simply searched "Student accommodation in Zagreb" on Google, that's how I found a website called "HomeInZagreb". Their website looks like this:

They offer many different types of accommodation, ranging from simple rooms in shared houses to studios and fully equipped student apartments. When you find a place that you like, there is a big green button on the right that says "RESERVE NOW."

After clicking the button, you will be directed to a form where you need to fill in your personal information and submit it. Once you have submitted the form, the team from the agency will contact you to continue the process.
