

Call For Application: Confucius China Studies•Beijing Normal University Philosophy Summer School 2018

Theme: A Journey into Chinese Thoughts and Modern Civilization
——Confucianism & A Community of Shared Future for Mankind

Date: July 8-22, 2018

Location: Beijing Normal University, Beijing, China

Overview

BNU's Philosophy Summer School has run for three successful sessions in 2015, 2016 and 2017. With a will to enable young students all around the world to get in touch with Chinese culture, to understand China's contemporary situation, and to develop an interest in Chinese philosophy, we invite world-renowned scholars as our speakers to offer unique insights into traditional Chinese philosophy and thought-provoking discussions on contemporary China. We present a unique opportunity to share a passion to explore the treasures of Chinese civilization with young people from around the world.
