

UNIVERSITY OF  
**Southampton**

You are invited to join the  
**International Summer School**  
**at the University of Southampton**

When you join the University of Southampton's International Summer School, you become part of a world top 1% university\*, giving you a unique perspective on the culture and heritage of the United Kingdom.

Explore historic monuments, natural wonders and major landmarks on a

series of exciting excursions. Meet new friends from all over the world. Study with our world-leading academics and deepen your knowledge.

Held across four weeks, 16th July to 10th August 2018, the International Summer School allows you to study six topics from an extensive list, each featuring a guided trip and interactive classroom sessions. If you complete the course assessments you could also earn 5 ECTS credits to take back to your home institution.

**Book now to secure your place**
